1. [REDACTED] Talked with Mr. Robert Michaels, House Appropriations Committee staff, explaining the apparent interest of Representative Michael Kirwan and Representative John Rhodes in an intelligence matter involving AEC and NASA. He thought this should be discussed with the Chairman. Subsequently, when he discussed this with the Chairman, Mr. Wilhelm was present in the latter phases explaining that their Subcommittee on Public Works had no real interest in going into the intelligence aspects. Therefore, Mr. Mahon thought the matter should be dropped and AEC has apparently been so informed. Dr. Chamberlain and [REDACTED] for the DDCI have been informed.
